

REMIT TO ANNUAL GENERAL MEETING 2017

Proposer: Ron Smith, on behalf of the LandSAR Rules Review Working Group

Remit 5 – General Meetings Notices to ALL Local Group Members

PURPOSE OF PROPOSED CHANGES:

1. To ensure ALL Local Group Members are aware of NZ LandSAR meetings and what issues the meetings will be dealing with, including remits that delegates will be voting on.

IMPORTANT POINTS:

At present only the office holders and delegates of Local Groups get notices of NZ LandSAR AGM and Special General Meetings so the full membership is never really informed of what's going on beyond what their local committee tells them.

PROPOSED CLAUSE CHANGES: (refer to "Working Group Proposed Rules 2017" to see the exact changes)

8.3, 9.2, and 9.3 NZ LandSAR Inc will be required to send ALL Local Group Members notices and details about AGMs and Special General Meetings, including remits to be voted on.

There are also terminology fixes in these clauses.
