**I would like to order as follows:**

please use product codes and product description as published by Mountain Adventure (refer to the Mountain Adventure price list)  
please use sizing information as stipulated by Mountain Adventure - a size conversion chart is in their price list

product code	product description	size / colour (if applicable)	price / unit

GST and freight is payable in addition to the published / agreed prices (if not included). There is no freight free policy for staff purchases. I will return items sent for evaluation (eg for sizing trial etc) promptly, unused, and in perfect "as new" condition inclusive of its original factory product packaging. I accept that any items returned damage (product and / or factory packaging) is charged for. Using a strong outer carton assists returns to remain during transit in perfect "as new" condition including its original factory packaging. I accept that any items returned for credit but not arriving for any reason must be paid for by me. I accept all freight risks and am aware that only courier companies (eg not NZ Post) provide the Limited Carriers Risk liability (max value NZ\$ 1,500 incl GST per parcel - refer to courier company for exact terms) and in case of any losses incurred in transit I will conduct all my obligations in any claim settlement. I will courier any items using the "Signature Required" service to avoid any ambiguity about potentially lost freight. I accept that items sent for evaluation may first be charged to my credit card and are only credited back to my card once these items have been received by you in good as new condition. I understand that I can pick up of goods ordered from your office subject prior arrangement / appointment. I understand that I can visit your office for sizing and fit assessment subject prior arrangement / appointment.
